

Travel in time with us to learn about the grand Polish history – you will visit the world's biggest medieval castle in Malbork, watch the largest reconstructed medieval battle on the fields of Grunwald and get to enjoy the modern hustle and bustle of Poland's two biggest cities – Warsaw and Łódź. Not only will you get to see the most important historical sites and museums in Warsaw and Łódź, you will also have plenty of fun flying at FlySpot (parachute simulation) and enjoy kayaks on one of the most picturesque and quiet river Pilica a few kilometers outside of Warsaw. You will also get to enjoy Chopin's open air concert in the historical Łazienki park in central Warsaw and meet plenty of interesting people from all around the world.

We are dedicated to making your trip as much fun as possible and taking back only positive memories of Poland. You will spend time with Polish families, who for a period of two weeks will host you in their homes, giving you the opportunity to deep dive into Polish culture, cuisine and relations.
